

LUCAS EDUARDO

PERSONAL PROFILE

I am a communicative person, fluent in English, responsible and easy to learn. I have experience as a volunteer, where I developed organizational, proactive and teamwork skills. I am available to start immediately and am looking for my first professional opportunity with the goal of growing and contributing with dedication. I am currently a technical student and intend to work in the technology field in the future.

ACADEMIC BACKGROUND

complete high school

CEM 417 - from 2022 to 2024
status: Complete

Technical course in SAD (systems analysis and development)

ETSM - 2024
duration: a year and a half
status: studying
